Another “Top Lenovo Distributor” Award for ABC Data!

Just as expected, ABC Data once again left the competitors far behind. Last Tuesday, May 15, the company was voted the “Top Lenovo Distributor of the Year 2017” in the “Business Product” category. In the race for the “Top Lenovo Distributor” Award, ABC Data outcompeted such companies as AB or Tech Data and obtained this prestigious trophy.

This year, the “Lenovo Top Partners Award” gala event was held in Hotel Europejski, Warsaw. This exceptional meeting gathered the closest and the most important partners of Lenovo, one of the leading global IT hardware manufacturers. It was also a great opportunity to hand out the awards for the entities that to the largest extent contributed to the development of Lenovo in Poland. One of such companies is, without a doubt, ABC Data that for the 8th consecutive time obtained the title and the award of the “Top Lenovo Distributor”. Once again, ABC data received the award in the “Business Product” category. The award was collected by Ilona Weiss, President of the Management Board of ABC Data.

– Last year we said that the next award in the “Business Product” category would be ours. ABC Data is well known in the market for keeping its promises. That’s why we made everything possible to outrun our competitors - says Ilona Weiss - I am convinced that if it wasn’t for ABC Data, the IT market in Poland and the CEE region would be far less developed and not as attractive as it currently is. The award proves that I’m right. Our actions to determine the development directions and standards of functioning of distribution companies in Poland give

 ABC Data S.A., 14 Daniszewska St., 03-230 Warsaw, Poland, District Court for the capital City of Warsaw XIII Economic Division Of the National Court Register, number of National Court Register 0000287132, fully paid share capital: 125.266.899 PLN, Tax Identification Number (NIP) 524-26-17-178, Statistical number (REGON) 141054682, VAT ID: PL-524-26-17-178, www.abcddata.eu

the desired results. Moreover, they're noted and appreciated by our Partners. I know that it is undoubtedly one of many successes to follow. There are still many opportunities ahead of us to set and popularize technological trends – adds the President of the Management Board of ABC Data.

When it comes to Lenovo products, ABC Data's portfolio extends far beyond business equipment. The clients of ABC Data may also purchase Lenovo servers, consumer and gaming computers, monitors, tablets or accessories.

The "Top Lenovo Distributor" award is one of many distinctions that ABC Data has managed to gain this year. The list of the obtained awards includes, among others, the title of "Central & Eastern Europe Consumer Tech Distributor of the Year" awarded in the "EMEA Channel Academy: 2018 Awards" plebiscite, the title of the "Client Solutions Distributor of the Year" granted by Dell EMC and the title of "Distributor of the Year 2017, EMEAR" awarded by Cisco in the "Collaboration" category. What's more, on Wednesday, May 16, the company received a golden "Eagle" Award from the WPROST magazine.

About ABC Data S.A.

ABC Data S.A. is a leading IT hardware and service distributor in Central and Eastern Europe. It is the only company in the industry that operates directly in eight CEE countries. The company successfully sets market trends and systematically expands its portfolio with products relying on new, innovative technologies. Thanks to many years of investing in online customer service platforms, today ABC Data S.A. enjoys the leading position in the field of online B2B sales. Each year from 2009 to 2018, that is, eight times in a row, ABC Data S.A. was named the Best IT Distributor in the CEE region by EMEA Channel Academy: one of the most important industry distinctions. It is the first Polish company that became a member of GTDC, a prestigious association of the largest IT distributors in the world. From 2010, ABC Data has been listed on the Warsaw Stock Exchange.
